And

Celltech Stem Cell Centre (CSC) accredited by World Council of Preventive, Regenerative, Anti Aging Medicine (WOCPM) whose registered office is located in Vinski Tower, Jl. Ciputat Raya No.22A, Pondok Pinang, Kebayoran Lama, South Jakarta, 12310, Indonesia , VAT number 316908516013000, in the person of the legal representative, Prof. Dr. Deby Vinski, MSc, PhD, domiciled for the office at [REDACTED], hereinafter referred to as the Parties,

DECLARING their mutual interest in the fields of research and education, training, development, transfer of technology, and dissemination of knowledge on long-term non-commercial basis;

RECOGNIZING the importance of the universities' role in the promotion of international cooperation, equality, and social development;

AGREE to develop a closer cooperation between their institutions, promoting all possible initiatives, joint projects and exchanges, along the lines set out in the following Articles.

Article 1

The cooperation shall be pursued, on a basis of equality and reciprocity in all areas of mutual interest regarding scientific research, higher education and social development.

CELLTECH

CENTRE

Article 2

Forms of cooperation

The following forms of cooperation may be pursued:

- a) exchange of scientific information and publications, documentation, study materials and other information regarding scientific, educational, technical, organizational, international or other issues.
- b) exchange of students, both graduate and undergraduate, and of teaching and administrative staff, based on specific protocols to be established separately.
- c) collaborative research and development of joint projects, with special reference to EU or other international programs.
- d) development of joint educational initiatives, such as seminars, international meetings, intensive programs and full joint curricula.
- e) exchange visits for periodic consultation, as a rule once a year.
- f) Any other cooperation efforts as appropriate.

Article 3

Executive protocols

The Parties will develop and implement separately specific forms of cooperation based on this agreement and outline them in executive protocols, specifying the nature of joint activities and the financial and other arrangements for their implementation.

Article 4

Liaison office

For the implementation of this Agreement, each Party will be represented by a liaison office, namely:

The *Gabriele d'Annunzio* University Foundation...~~Prof.~~ SERGIO CAPUTI

The "Leonardo da Vinci" Telematic University...~~Prof.~~ SERGIO CAPUTI

The Department of Innovative Technologies in Medicine and Dentistry, of "*Gabriele d'Annunzio*" University of Chieti-Pescara....~~Prof.~~ VINCENZO DE LAURENZI

The Celltech Stem Cell Centre , Prof. Dr. Deby Vinski, MSc, PhD

Article 5

Assistance and support

Each Party, in accordance with respective agreements and regulations, shall ensure all possible assistance and support to scholars and other representatives of the partner university visiting the institution.

Article 6

Insurance and emergency health

Scholars and other exchange visitors sent by one Institution to the other must have both medical and accident insurance. This may be provided either by their home institution according to own regulation or may be directly set up by the interested person, through the stipulation of a policy with an insurance

company guaranteeing the above-mentioned risks.

Article 7

Intellectual property

All background intellectual property will remain the ownership of the originating institution. Access to such property by the other Party will require case-by-case negotiation. Any new intellectual property arising from or within this cooperation will as a rule be owned by the Party responsible for its generation. Different agreements will be possible on a case-by-case basis and, especially in the case of joint teaching or research activities, will need to be set out in separate protocols. Any license for the exploitation of intellectual property will require case by case negotiation.

Article 8

Use of logos

Neither Party shall use the name and logo of the other in any form of publicity or promotional material without the written consent of the other Party.

Article 9

Data Protection

For the purposes of present Cooperation Agreement, the University of "G.d'Annunzio" of Chieti-Pescara, shall apply Regulation (EU) 2016/679 (hereinafter GDPR) and the Legislative Decree no. 196/2003, as amended by Legislative Decree no. 101/2018 (hereinafter Italian Privacy Code) and the Sports University of Tirana shall apply the Law No. 9887 dated 10.03.2008, as amended by the Law No. 48/2012, date 26.04.2012.

If the activities referred to in article 2 will imply sharing/transfer of personal data, at the moment of executive protocols implementation, the Parties shall put in place a Data Transfer Agreement (DTA) where it will be specified their respective responsibilities and roles deriving from the processing of personal data.

The Parties shall ensure that sharing/transfer of personal data shall be carry out only under the specific conditions set out in Chapter V of the GDPR.

Article 10

Equal opportunities policy

The Parties shall not discriminate against any person based on gender, age, physical aspect or disability, ethnicity or national origin, social or family status, sexual orientation, religion, political opinions, or other personal aspects and conditions.

Article 11

Terms and conditions

CELLTECH
STEM CELL
CENTRE

This Agreement is subject to approval by competent authorities, according to the national laws applying to each Party. The Agreement shall become effective when both Parties have signed it.

Article 12

Validity and renewal

This Agreement shall remain in force for five years and be automatically renewed for a further period of equivalent duration, unless terminated by either Party with a written notice twelve months in advance. If not renewed, the Agreement expires and ceases its effects, though without prejudice to any ongoing activities, which will continue as planned until conclusion, unless otherwise agreed.

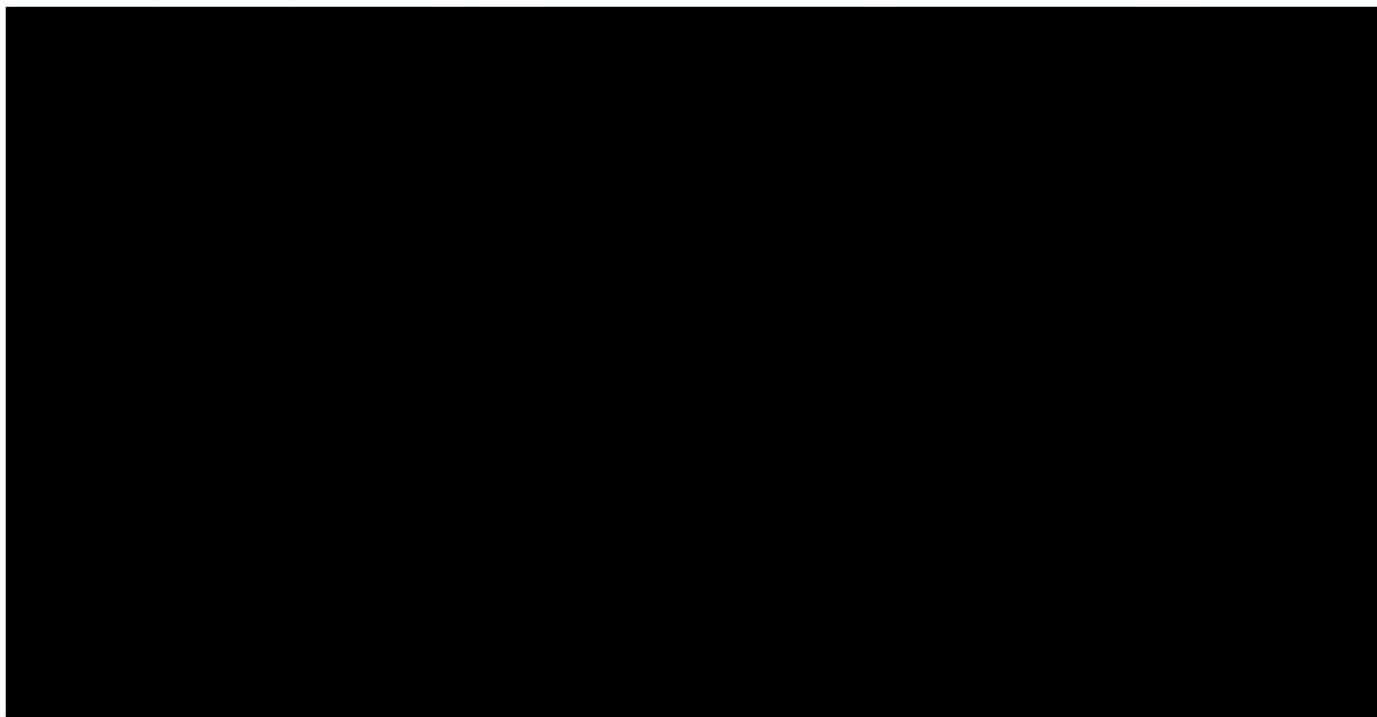

Article 13

Settlement of disputes

In order to settle any disputes arising from the interpretation or implementation of this Agreement, the Parties will appoint an Arbitration Committee consisting of three Arbitrators, two appointed separately by each Party, and one jointly.

Drawn up in two original copies in English language, both having the same legal validity.

Chieti, 03.12.2024
